INFORMATION DISCLOSURE STATEMENT

Respectfully submitted herewith is a copy of a German Patent Office Search Report (3 pages) from the parallel German application 100 00 639.6 of which the present application claims priority, together with copies of its 5 cited references.

In the German Patent Office Search Report all the references are listed in category A meaning these documents define the general background state of the art with respect to the listed claim. In the German Patent Office Search Report the words "Kategorie" means category, "Ermittelte Druckschriften/Erläuterungen" means transmitted publications/explanations, "Betrifft Anspruch" means concerning claim, and "Fig." means Figure(s) or illustration(s). Since this translation now points out in English the relevant portions of the citations listed in the German Patent Office Search Report, and all listed references are in the English language, no further concise explanation is required under 1138 OG 38.

BEST AVAILABLE COPY

A PTO-1449 form is presented to list all 5 references disclosed in the German Patent Office Search Report.

This submission meets the requirements of 37 CFR §1.56, 1.97 and 1.98(a) and MPEP 609.
